

REMARKS

By the foregoing amendment, the applicant has corrected the brief description of the drawing by adding a description of Fig. 6B and correctly renumbering former Figs. 6B-6D to Figs. 6C-6E.

This obviates the basis for the objection that a description of Fig. 6E was missing. Actually, the description of Fig. 6E had been incorrectly numbered 6D.

Withdrawal of the objection to the specification is therefore respectfully requested.

Respectfully submitted,
